It stars Akkineni Nageswara Rao, Savitri and Akkineni Nageswara Rao in the lead roles and music composed by Ghantasala. The film was remade in Tamil as Aayirathil Oruvan (1968) starring Gemini Ganesan, M. G. Ramachandran and Devika. It was also remade in Malayalam as Ente Pogam, starring Madhu and Sheela. Plot Akkineni Nageswara Rao (ANR) is an advocate who studies law in Madras. Savitri (Savitri) is a rich family woman, who wants her husband, Krishnayya (Mukkamala) to marry a woman who does not have a child. Krishnayya, a wealthy man, marries Chelli (Rajasree) who is also pregnant. Krishnayya becomes suspicious that Chelli is an adulterer, and Chelli commits suicide. Krishnayya is shattered, and asks ANR to divorce his wife, which Krishnayya cannot afford. The counsellor arranges for Krishnayya to divorce Chelli, and to marry Savitri, while she is pregnant with ANR's child. After the divorce, Krishnayya throws out ANR from the house. Years later, Krishnayya is forced to perform a swamy-yaga ritual, which is held up. Chelli, who is still alive, attends the ritual. While other people stand and

watch, Krishnayya consults Chelli, who happens to be the wife of Krishnayya. Chelli says that Krishnayya can keep the ritual with the money she has, but then Krishnayya must honour his promise to her and marry her. Krishnayya agrees, and he marries Chelli. After the marriage, Krishnayya swears at a police constable and threatens to kill the constable for arresting Chelli. Krishnayya convinces Savitri to agree to a divorce, which Krishnayya does. When Savitri complains that she cannot afford the marriage, Krishnayya tells her that he has the wealth from his property. Krishnayya's son Anirudh (Sarath Babu), whom Krishnayya had adopted, works as a lab assistant in a pharmaceutical factory. He has a younger brother, Ramu, who is in the
